ABOUT MERTEX

Buldan is city of factories without chimney, center of textile and textile is a legacy from generations to generations in the town. Mertex Woven Collection was created by experiences that comes from the legacy Mertex Woven started modern manufacture at 2017. Since the beginning of 2017, we have continued manufacturing by keeping high quality and wide product range.

Our mission is healthy growth and give haigh quality products to our customers. Our goal is make them happy. We work with a thought that manufacturing of textile is an art for our customers because of that, we always keep using latest technology at our factory

WHAT IS PESHTEMAL

Peshtemal is an oversize towel made of natural fibers like cotton and linen, characterized by its fringed edged stripes and prized for its high absorption, quick drying time thin profile and tendency to become softer with every wash. Simple luxuries, many peshtemals are still made by true artisans from cotton, linnen and sometimes silk and bamboo in Turkey, whose prime climate is well-known for producing some of the worlds finest textile fibers.
